Pressurized Avocado Ripening Rooms

Quality Ripening and Cooling is achieved with State-of-the-Art Pressurized Ripening Rooms from **Dade Service Corporation**.

Dade Service Corporation's Pressurized Avocado Ripening Rooms are available in many different configurations and pallet counts to meet your specific requirements. Our Patented systems utilize a tarp free pressurized system to provide uniform cooling, heating, and ripening.

- **TURNKEY DESIGN AND CONSTRUCTION** including all structural, refrigeration, electrical, plumbing, and fire protection. Single Source responsibility delivers a project in less time with higher quality and greater satisfaction. All installation work is handled by **TEAM DADE** to ensure a high quality installation each and every time.
- **LESS SHRINK = GREATER RETURNS**—*DASERCO Brand* Ripening Systems provide the perfect room atmosphere for Avocado Ripening. Fruit Respiration and Transpiration are both controlled to a degree no other Ripening Room can match thus providing less shrink of the product.
- **DASERCO BRAND RIPENING CONTROL SYSTEMS** provide total Control over the Ripening Process. Systems are available with “Touch Screen” controllers and remote access via the internet.
- **BUILT TO LAST**—Our ripening systems are built with high quality materials and have no moving parts to offer the most durable ripening systems available.
- **DASERCO Brand Refrigeration Systems**, Specially engineered Pressure Coolers with Stainless Steel tubes, and epoxy coated fins are the highest quality available. Each system is designed to work in concert with the control system to provide the perfect ripening environment. *DASERCO Brand* units provide higher air flows at lower energy usage and last longer than any other brand available. The State-of-the-Art designs provide a sanitary easy to clean room. Walls, ceilings, and cooling coils are all exposed for easy cleaning.
- **GUARANTEED RESULTS** are assured by our proven system. The entire room is ripened uniformly to the exact ripeness at the exact time required

We invite you to contact **Dade Service** for your next Ripening Room or Produce Cooling Project.
